Illinois State University

Dear Graduate:

With pride, I congratulate you for completing requirements which have culminated in your becoming an Illinois State University graduate. As you join the ranks of ISU's alumni, I hope that the knowledge and insight you have gained from your collegiate experiences will serve you well in your future endeavors.

Although this year may mark the end of your formal education, learning is a life-long process. The hard work and effort you expended as a student is an excellent foundation for expanding your knowledge and skills as you pursue a productive and satisfying career. Your activities and successes will remain of interest to your alma mater, and we look forward to your continuing association with ISU.

In future years when you are reviewing your yearbook and reminiscing about your campus experiences, I hope that you will remember with fondness your days at Illinois State University.

Best wishes,

The beauty of Illinois State

Illinois State University is seen as one of the most beautiful campuses in Illinois higher education. After a four year stay at ISU, students take the beauty for granted, but as you look back to ISU, these scenes will be ones you will most remember.

Clockwise from upper left: Felmley Hall and the ISU bridge; Watterson Towers; Cook Hall and Edwards Hall; Milner Library; Fell Hall.

Redbirds win MVC title; advance to NCAA!

When the ISU Men's Basketball team started their season in their new home, who'd have guessed that it would lead them to a NCAA bid and a conference championship. After a seasons work at Redbird Arena (left) and on the road, the ISU Redbirds ended their season with a record of 18 - 13. On March 6, 1990, the Redbirds faced Southern Illinois University at Redbird Arena for the conference title, and with a score of 81 - 78, the Redbirds brought home the title.

Taking their victory to the road, ISU met the University of Michigan in first-round play of the NCAA tournament. In a close, and exciting game, ISU lost to the defending NCAA champs, by only six points, with a score of 76 - 70. Bob Bender's boys made us all proud to be Redbirds.

Redbird Spirit At it's finest

At capacity crowds at Redbird Arena, the tension was high, and so was the noise. At left, Reggie the Redbird romps around the arena to drum up the crowd; below, Coach Bob Bender watches his boys; Randy Blair goes up for two points.

Homecoming 1989

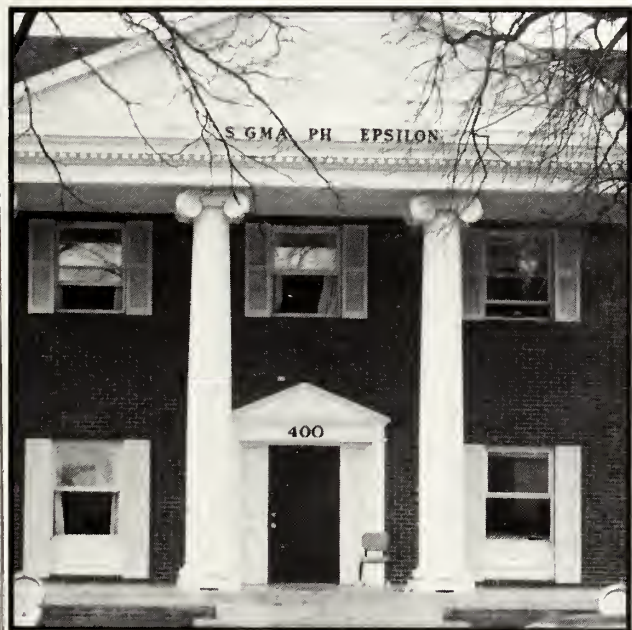

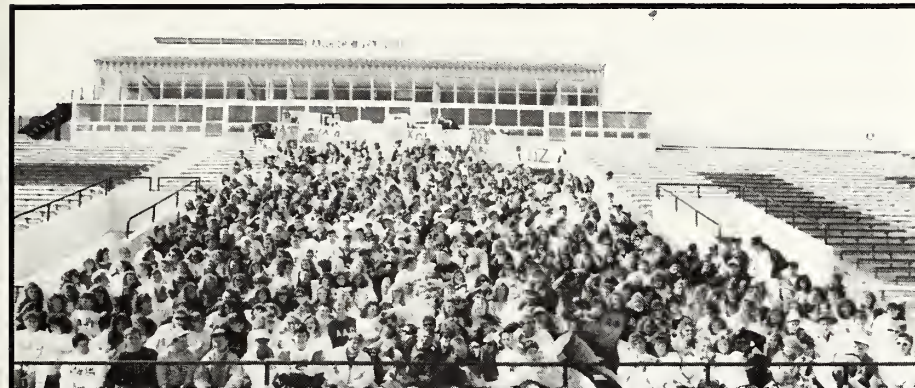

Homecoming participants, clockwise from upper left: ISU Registered Student Organizations keep the Homecoming spirit; ISU cheerleaders take a break during the parade; ISU Greeks turn out strong for the 1989 parade.

“It’s GREEK to me!”

ΑΒΓΔΕΖΗ ΘΙΚΛΜΝΞΟΠΡΣΤΥ ΦΨΧΩ

The ISU Greek System is one way many students spend their time socializing, helping others, and growing as an individual. With 23 fraternities and 14 Sororities on campus, everyone can fit in somewhere. Governed by Pan-Hellenic Council and the Interfraternity Council, the ISU Greek system is kept fair and safe.

Clockwise, from upper left: ISU Greeks take time out for a picture during Greek games; Twister is one way to meet someone new during Greek week; the Alpha Gamma Delta Sorority house all decked out for EX's Derby Days; Sigma Phi Epsilon shows off one of the prettiest fraternity houses.

Above: Members of ISU's fraternities and sororities turn out for the Phi Psi 500; below; the greek games are on at Hancock Stadium - leap frog anyone?

Greek Houses ...

The traditional Greek house at ISU is usually decorated to show spirit and support of other's philanthropies. The Tri-Delta house (right) and the Pi Beta Phi house (below) are both decorated for Sigma Chi "Derby Days". Far lower corner, the Chi Omega house.

Let Me Entertain You . . .

Of the many performers at ISU, one of the more popular musicians to arrive here was Tom Petty. Here he is performing at ISU; and band members.

Dorothy Hamill, former Olympic medalist and world-renowned figure skater graced ISU with the beautiful art of ice skating. Above: Dorothy smiles to the audience as she performs; Dorothy takes a breather between performances.

Highlights of your year

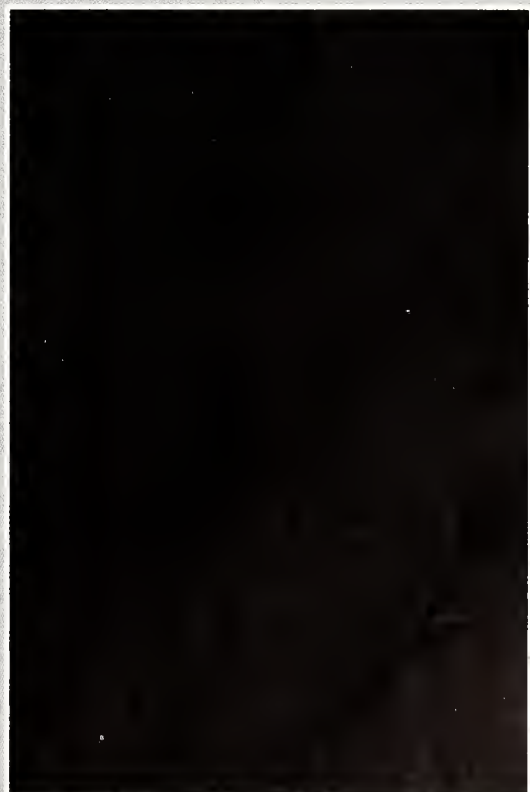

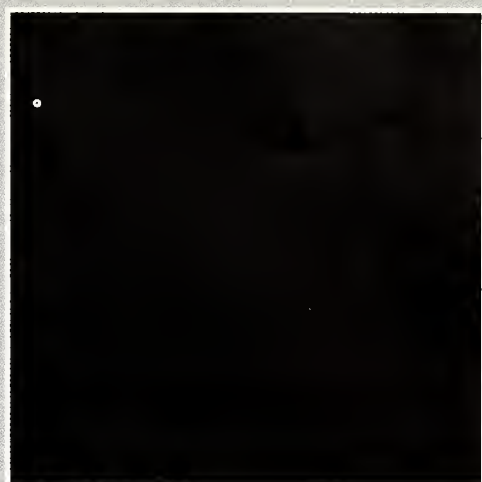

Do It Yourself

The 1990 yearbook has been completed. However, some of you may feel that you were not adequately covered in the yearbook. You are probably right.

Therefore, the ISU yearbook staff would like to dedicate this page to

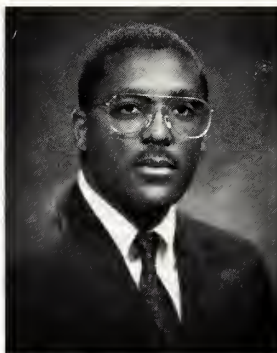

you. With over 22,000 students on the Illinois State University campus, it is virtually impossible to capture everyone's activities. All we as a staff can do is hope to hit a few highlights of the year. The rest is up to you.
